

**HERNAN LLANO DUQUE**  
**3D GENERALIST AND FXTD**  
3d.hernan@gmail.com

**SUMMARY**

I'm a very enthusiastic 3D generalist and VFX Artist who is constantly looking to improve and reach better results in my work. Learning, sharing, teaching and hard worker are some of the qualities I have, always pushing myself to reach my objectives. I have experience in production of commercials that gives me the clarity to understand my job and be completely able to fit into new projects and teams. I have very clear the importance of a teamwork what make me able to follow direction be proactive and creative on my work.

I truly believe that teamwork, reliability, organization and listening are the keys to success on the vfx industry.
